50X1-HUM

1. In connection with the series of decrees issued by the Council of Ministers in the drive to save gasoline, the number of natural gas filling stations for motor vehicles is to be increased. The Central Gas Administration is constructing five such stations in Warsaw at present. Of these, two should be completed by the middle of 1951 and three more at the end of the year.
2. A natural gas filling station will also be built at each of the following towns: Krakow, Sosnowiec, and Myslowice. Each station will be able to supply 100 motor vehicles daily.
